RED NOSE DAY

What's Red Nose Day?

Red Nose Day takes place every two years: people get together and do something funny for money at home, school and work.

There's a fantastic night of TV on the BBC to encourage the nation to give a lot of money. **Comic Relief** uses the money raised by Red Nose Day to help people in need across the UK and Africa.

Red Nose Day is so popular, it now takes place in other countries too: the USA, Germany, Finland. Why not in France?

WHAT ARE YOU DOING AFTER SCHOOL?

To do list:

- * Homework
- * Fetch water
- * Cook dinner for brother and sister
- * Clean house
- * Clean neighbour's house for money
- * Get younger sister to bed
- * Wash school clothes

Dear Diary
I didn't meet my friends after school because I had to wash my sister Ngosa's clothes and help my brother Clifford with his maths homework. I am worried because I need money to buy Ngosa some new shoes, otherwise she can't go to school. I wish my mum was still alive, she would know where to get the extra money. I really miss her.
