**When Donald Trump enters the White House, his wife, Melania, will become the First Lady. She is from Slovenia, Their son, Barron, aged 10, will also live in the White House. Mike Pence, left, will be Vice-President.**

Donald J Trump for President

**On 8 November 2016, Donald J. Trump won the election for the 45th President of the United States of America. He will be inaugurated in January. Who is President Trump?**

Donald Trump won the presidency for the Republican Party. In the election, he defeated the Democrat Hillary Clinton, the first woman candidate for President.

**Barack Obama**, the 44th President, was elected in 2008 and 2012. He was the first African-American president. He is a Democrat, the party that opposes Mr Trump's Republican party.

Mr Trump is the first U.S. President who doesn't have experience in elected office, government or military

command. He isn't a politician, he's a businessman and a reality TV star. At age 70, he is the oldest President to enter the White House.

## Business

Mr Trump is very rich. He is a billionaire. His father, Fred, made a fortune building apartments in New York. His mother, Mary, immigrated to the U.S.A. from Scotland. Donald Trump inherited the company from his father. He built hotels, casinos, golf courses and Trump Tower, a famous skyscraper in Manhattan, where he lives and works.

Mr Trump is famous for writing books about business. He was the star of the popular the reality TV show *The Apprentice* from 2004 to 2015. In the show, candidates completed a series of challenges to win a job with the Trump Organization.

Donald Trump is now married to his third wife, Melania, and has five children, aged 10-38, and seven grandchildren. His adult children will be responsible for his company when he is President.
